Parenting Expert Dr. Vonda Scipio Tells **How to Be Your Baby's First Teacher**

Vonda Scipio, Ed.D., parent educator and early childhood expert, has the answers to your audience's questions on parent/child BONDING for optimum development!

Parenting can be one of the most challenging undertakings, and without a specific "how-to-raise-my-child" blueprint, many parents are uninformed about the simple steps they can incorporate that will make an enormous difference in their infants' and toddlers' overall development.

Dr. Scipio has been an advocate for children and families for 18 years. She has a doctorate in education with a focus on instruction and curriculum leadership and a concentration in early childhood from the University of Memphis. She has "hands-on" experience as a parent, grandparent, and professional educator. Her new book, ***Let Babies Teach***, and the included Companion Guide, ***Let Me Teach You, Baby*** is available on Amazon.com.
